Introductions of Panelists and Students/Young Professionals

First Part: (around 1 hour) Discussion on the Future of Noise Control

What will Noise Control look like in 2071?

What would we like to hear in 2071? What will we hear?

Can we be replaced by automation systems – robots? What will be the role of humans?

Where will the core of Noise Control knowledge be? How can it be accessed/used? Etc.....

PARTICIPATE: Put questions in the chat portion of the 50th Anniversary Exhibition Booth, where you can also see slides from the 50 years of INTER-NOISE Congresses....

Come to the sessions on Thursday.

Second Part: (highlighting 2021 Young Professional Award Winners)

Marion Burgess and Luigi Maffei for Session 1

Robert Bernhard for Session 2
