# NNI Highlights

- AMNET Systems LLC of Urbana, IL continue to serve as editor and publisher of NNI, with Leigh McLennon/ Molly Morrison serving as the day-to-day editor, uploading files to the blog, assembling the NNI archival pdf magazine, and preparing it for publication
  - In May 2018, the service agreement with Amnet Systems LLC was extended until May 2021
  - UPDATE: AMNET has informed that the June 2021 issue was the last issue that AMNET will support
    - An alternative to AMNET is therefore being evaluated by Eoin and Myself
  - Eoin King has moved from the US to Ireland, but Eoin will continue as the Managing Editor.
- Eoin King continues to work on developing the Noise/News International blog content together with the continued increase in social media presence, including Facebook and Twitter
- A series of Podcasts have been added currently funded by INCE-USA.
- The regular features including rotating short editorial features from the different I-INCE vice president continues. NNI now has a good basis of article helping to keep the issues coming out in a timely manner
- Advertising for NNI continues to be a priority and in the last year there has been some improvement in advertising revenues
  - To date there are four paying advertisements
- The following items will be addressed in the final quarter of 2021 and the start of 2022:
  - Identify a new support company to continue issuing NNI
  - Work with NNI sponsors to continue to increase advertising revenue.
  - Continue to work with I-INCE and regional editors for delivery of regional news
  - Continue to introduce new features related to INTERNOISE presentations
  - Continue to grow the relevance and value of NNI to all those working in noise control around the world.
